Message from the MLCC President

Rob King
King Legal Group LLC

As I have mentioned in this space many members and businesses by name with the overwhelming success of such businesses promoted by efforts of the **Mountain Laurel Chamber of Commerce** over the last two years, I want to take this moment to recognize and express my personal heart felt gratitude for the often single handed and overlooked efforts, commitment, sacrifice of family time and enthusiasm of our Executive Director, Kris Enberg, during these last 23 years. She has enabled more than seven presidents and nearly a hundred board members to guide and meet the demands upon the **Mountain Laurel Chamber of Commerce** incident major events, particularly, turnpike interchange upgrades, expansion of infrastructure and resolution of controversy involving use and preservation of natural resources by and for our member businesses and the public they serve. As the life of business has evolved through the digital age, pandemic conditions and rapid growth, Kris has been the constant and steady hand on the job day and night learning and producing timely responses necessary for the businesses within the **Mountain Laurel Chamber of Commerce** to grow and mature. Being sensitive to her wishes, sacrifices, and the rapidly expanding demands of our members upon the **Mountain Laurel Chamber of Commerce**, the Board, as previously announced, has committed to granting her expressed desire to focus more narrowly her efforts and time to the monthly magazine publication, which during its life and existence she has grown to be a favorite publication of the public of whom almost 8,000 persons make it a monthly read.

With her goal in mind, the **Mountain Laurel Chamber of Commerce** is hoping to welcome a new Executive Director shortly at the elbow of Kris to assume the day to day administrative, management and membership duties shouldered by Kris these many years but never wishing to lose talent and always in need of her counsel and skills, all can expect to see Kris as always with the **Mountain Laurel Chamber of Commerce**. Please remember the available services to enhance your business which is offered through Kris Enberg and Stefanie Cramer at the **Mountain Laurel Chamber of Commerce** office on Route 31 in Jones Mills, and particularly the new and enhanced advertising opportunities available with use of the monthly magazine of the **Mountain Laurel Chamber of Commerce**.

Sincerely,
Rob King

YOUR OPPORTUNITY TO ASK THE ATTORNEY

Bradley A. King, Esq
King Legal Group, LLC

724-836-1500

Q **If I win a case, can I recover my attorney's fees from the other party?**

A This is one of the first questions that many people ask their attorneys at the outset of a case. The general rule is that each party must pay his or her own legal fees. However, you can recover attorney's fees from the other party when the recovery of attorney's fees is authorized by a contract provision or a specific Pennsylvania law/statute. If you are asserting or defending a claim based upon a contract or a statute, such as certain consumer protection statutes, which explicitly provides that the prevailing party has a right to recover attorney's fees, then you have a right to demand that the other party pay your attorney's fees if you win the case.
