DECEMBER 2020

A message from the President,

It is the time of year to **BE EXCITED** here at the **Mountain Laurel Chamber of Commerce** as our business members prosper in the demands of the holiday season. Winter's arrival brings the opening of the resorts and a hiring push with **Seven Springs Mountain Resort & Hidden Valley Resort** seeking to hire almost a thousand employees. The **MLCC** is also proud to announce and support the return of the many holiday light up and promotional events which kick off with the **Springfield Holiday Light Up Contest** on November 29th running through December 20th, followed by the **Melcroft Tree Light Up** on December 1st, and **Christmas in the Mountain** from December 4th to the 6th. Thank you for supporting these local events and the **MLCC** members.

Remember to support and take advantage of the **MLCC Stocking Stuffer Ticket** sale which is a give away of gifts contributed by the **MLCC** and our member businesses ranging in value from \$20 to \$500. This annual fund raising ticket of the **MLCC** is always a great gift at this time of year for those who are hard to surprise and a great benefit to the **MLCC** as it comes out of the slim financial times all businesses have weathered this year. Be on the lookout this year for our NEW "It's beginning to look a lot like Christmas" video series on our Facebook page highlighting our participating businesses.

The members of the **MLCC** are looking forward to a prosperous New Year with the return of our customary events with golf in the spring and the Ladies' Day Bash in the fall that should not be encumbered with the governor's pandemic restrictions on business activity. Join the **MLCC** on its digital media products and print advertising products to take advantage of our business enhancement tools and products that Kris and Stef, with our supporting contractors, at **MLCC** can help you use to increase the success of your business.

Merry Christmas,
Robert W. King
MLCC President

Photo from left to right: Donegal Township Supervisors Tom Stull Jr., Henry Hoffer and Dan Pribisco

A sign welcoming visitors and residents to the **Gateway to the Laurel Highlands** got an upgrade recently, as a result of PennDOT's ongoing Route 31 project in Donegal Township.

"It looks very nice," Trudy Harkcom, the Township's Secretary and Open Records Officer, said of the new welcome area. "It certainly is an eye catcher when you come upon it."

The signage, which is three-sided instead of the previous two, includes a new stone encasement engraved with 'Donegal Township.' A lighted flag pole and fresh landscaping enhance the new welcome area and the inclusion of the Fireman's Monument honoring local volunteer Firefighters ties the whole project together beautifully. A dedication inscribed on the monument thanks the Firefighters and Ladies Auxillary of the Chestnut Ridge Community Volunteer Fire Company for their many years of committed service. Donegal Township Supervisors Tom Stull Jr., Henry Hoffer and Dan Pribisco said they were very pleased with the new sign and feel it adds to the beauty of the area and is a true asset to the township. "Our many visitors and residents will enjoy this beautiful area for many, many years. PennDOT did a great job replacing the original sign and we are thrilled about the addition of the Firefighter's Monument honoring our volunteer Firefighters, who do such an amazing job for our residents."

The location of the sign was moved slightly to line up with the intersection and the traffic light, according to Harkcom.

The sign was designed and constructed by Plum Contracting with input from Donegal Township Supervisors. Plum Contracting installed the original sign promoting the area in November of 2011. The addition of the sign was a collaboration between **Donegal Township** and the **Mountain Laurel Chamber of Commerce**.

"The Gateway to the Laurel Highlands sign served us well over the years with its presence welcoming visitors to the Laurel Highlands," said MLCC Executive Director, Kris Enberg. "The MLCC wishes to thank the Donegal Township Supervisors for their diligence in working with PENNDOT to enhance the sign's presence to more of a monument. The MLCC is honored to properly give recognition to the Chestnut Ridge Community Volunteer Fire Company and the men and women who serve as our first responders. The beautifully designed landscaping will serve as a four season backdrop to members of our communities and to our visitors and the high flying American Flag will remind us all of this great country. Kudos to Tom Stull Jr., Henry Hoffer, Dan Pribisco and Trudy Harkcom!"

YOUR OPPORTUNITY TO ASK THE ATTORNEY

Bradley A. King, Esq.
King Legal Group, LLC
Jones Mills
724-836-1500

Q If I'm in a car accident, are there any helpful tips for what I should do at the scene to help my case?

A Yes, you will want to take pictures of all damage to the vehicles involved in the accident and the general scene of the accident itself before the vehicles are moved, if possible, particularly any other factors that may have had a role in the accident, such as objects which may have obstructed the view of any driver. You will also want to obtain the other driver's automobile insurance information, the driver's contact information, and information about the driver's vehicle. You should write down the key facts about the accident and anything you learn while exchanging information with the other people involved or witnesses.
