JANUARY 2021

A message from the President,

With the arrival of the new year, I reflect upon the passing year with great pride in the members and board of the **Mountain Laurel Chamber of Commerce**, particularly, the resilience, optimism, work effort and dedication to encouragement and support of businesses within the **MLCC**, often at personal sacrifice to each member flowing from lockdown orders, difficulties in delivery of sales and services and extra costs to protect staff, customers, and themselves from illness. My reflections are also populated with grateful and sincere memories of the significant efforts of departed members and departing directors leaving now at the end of their respective terms in office with the **MLCC**. The departing board members, namely, **Joe Sarnelli**, **Ken Firestone** and **Rich Naugle** have given of their time in meetings, functions, events, and availability for the **MLCC** needs and in the case of **Joe Sarnelli**, his wealth of understanding, food, and many extra volunteer service hours at significant personal and financial cost to benefit the membership of the **MLCC**.

Looking forward into the new year, the newest member director joining the board of the **MLCC**, is **Roxanne Kern**, a long-time restaurant owner and operator of **See Mor's All Star Grill** and a partner in Kern Brothers' Lumber Company in Normalville. She brings to the board of the **MLCC** for 2021, namely, **MLCC** Charter Member, LDB Committee Member, Golf Outing Volunteer, Tickets Sales, Normalville Christmas Light-up and personal knowledge of and passion for the needs and matters helpful to the businesses in the Normalville, Indian Head and Mill Run areas of the **MLCC**. The **MLCC** has been honored to welcome and offer resources to foster the success of the new members joining the 2021 **MLCC Board and Executive Board** in November, particularly, **President Rob King - King Legal Group LLC**, **Vice President Deanna Richter - LHTC Broadband**, **Treasurer Mark Hughes - Hughes Physical Therapy**, **Secretary Tammy Shawley - Seven Springs Mountain Resort**, **Finance Consultant Shari Bukovac - Shari Bukovac Bookkeeping**, **Tom Guiher - Living Treasures Wild Animal Park**, **Barb Skinner - Christian Family & Children's Center**, **Juliann Brown - Trent House Inn**, **Jamie Stilley - Amerikohl Mining**, **Josh Crowe - Berkshire Hathaway HomeServices the Preferred Realty Company** and **Roxanne Kern - See Mor's All Star Grill** which found that the **MLCC** held benefit for them even when businesses struggled in the middle of last year. They have had the opportunity to benefit from the promotional programs and programing, both digital and paper, now provided to members by the **MLCC** through its on boarding of the digital services of **MLCC** member **LHTC Media** the **MLCC** legacy spring golf outing and fall Ladies' Day Bash events returning on schedule for 2021.

However, even with the new board, new members, advanced digital offering and returning events, I reflect, with sincere respect and thankfulness, for the self-sacrifice and ever presence, on a day-to-day basis, of **Kris Enberg**, **Executive Director of the MLCC**, and her **Administrative Assistant, Stefanie Cramer**. They, along with the directors in 2020, namely, Rob King, Deanna Richter, Mark Hughes, Tammy Shawley, Shari Bukovac, Tom Guiher, Barb Skinner, Juliann Brown, Jamie Stilley, Josh Crowe, Ken Firestone, Rich Naugle and Joe Sarnelli made **MLCC** run predictably for the prosperity of the members of the **MLCC** throughout the darkest times of 2020. Drawing upon decades of leadership with the **MLCC**, the direction provided by Kris gave day to day order for members and board alike when there was little continuity during rapidly changing events this last year.

Believing the past to be the best way to predict the future, the members of the **MLCC** can expect great progress and success in their respective businesses in a prosperous New Year featuring the return of our traditional events of golf in the spring and the Ladies' Bash in the fall without the health restrictions on business activity. I again encourage you to make use of the **MLCC** digital media products, print advertising products and our business enhancement tools and products that Kris and Stef, at the **MLCC**, with our supporting contractors, can help you use to increase the success of your business.

Happy New Year,
Robert W. King

Q What is the difference between a living will and a will?

A A living will is a document that allows you to set forth basic health care instructions in the event that you become incapacitated and unable to articulate medical decisions on your own behalf. A Will is the document that sets forth your wishes with respect to how and to whom your assets will distributed after your death as well as the person who will administer your estate once you pass away.

3rd Annual Melcroft Tree Lighting

O the weather outside was frightful, but the snow was so delightful. What a night to light up the tree, what a beautiful sight it was made to be!

Big thank you's to Sam Schell (Quali-Te Lawn Care Inc.) for tree decoration, Bernie Barron (Barron's Floral) for the gorgeous display in front of my office. Clint Miller for the wonderful music. Mt. Pines Resort for the children's treat bags. The following sponsors for donating cash, food, drink, cookies and door prizes: Ridgeline Heating & Cooling, G & D Market, CTR Inc, MLA Rentals, Mt. Water Shed, Cramer Rentals, First National Bank, Mark Brooks Funeral Home, LHTC Broadband, Rustic Lodge Furniture, The Mt. Shoppe, Brenda's Family Restaurant, Duck's Maple Syrup and Upton's Country Comfort. Also, I am so grateful for my office staff that always pitches in and helps me with all that I ask.

All though we had low attendance this year due to the bad roads, all that came out had a blessed evening with caroling, warming by the fire, eating, picture taking and playing in the fresh snow. (Almost a Hall Mark movie). Next year we hope there is snow, as it makes for the Christmas Spirit, but hopefully all roads will be clear. Some new things coming for the 4th annual tree light up are a memorial tree ornament and snowman building if weather cooperates.

Hope to see you on December 1st, 2021

The **Mountain Laurel Chamber of Commerce** wishes to congratulate **Saul Uriel Amezquita Matos** from **Champion Christian School**, for being the recipient of the **December 2020 Student of the Month Award**, sponsored by **Appalachian Fluid Power, Inc.**

BUILD A SNOWMAN Challenge

Officially Starts February 12th,
START BUILDING NOW!

Mother Nature always turns the Laurel Highlands into a winter wonderland. *Let's make the most out of it!*

The Mountain Laurel Chamber of Commerce invites you to build your best snowman (or snowwoman) and show it off to our local community in our **BUILD A SNOWMAN CHALLENGE!**

Gather your family, friends, or co-workers (or let the snow fly solo!) and build an awesome snowman throughout December, January and February. Take a picture now but save it to post later on our Facebook Page for the official start on February 12th. The Challenge will take place on Facebook from the 12th to the 26th. Keep an eye out for the Facebook announcement! Winner will be announced on March 1st!

Prizes and additional details coming soon. Follow us on Facebook for more information. Get out there and enjoy the snow!!!
