February 2021

A message from the President,

With the passing last month of State Representative Mike Reese, a good friend to many in the board and membership of the **Mountain Laurel Chamber of Commerce (MLCC)** and who was an ever present supporter and champion of **MLCC** causes, programs and local development including the planned visitor center, new business openings, annual participation in **MLCC** events and **MLCC** legislative committee meetings, I am reminded of the large role and participation of the government representatives in the promotion of the businesses and causes needed by and all members in the **MLCC**, without acknowledgement. The supervisors of Saltlick, Springfield, Donegal and Cook Townships make travel in and to all members of **MLCC** possible and passable on the roads without which no business could prosper or deliver services. Such elected supervisors also participate in special projects identifying the geographical region served by the members of the **MLCC** as unique from other portions of Fayette, Westmoreland and Somerset Counties and the Commonwealth.

With completion of the roadway improvement project on State Route 31, the Donegal Township Supervisors, namely, **Tom Stull, Jr.**, **Dan Pribisco** and **Henry Hoffer**, took aggressive steps to announce the area served by the membership of the **MLCC** is and should be considered as the “**Gateway to the Laurel Highlands**”. As you pass through the traffic light east of the turnpike interchange on State Route 31, you will see a small park created by PennDOT at the direction of the Donegal Township Supervisors wherein is installed the landscaped three-sided stone encased monument extending a welcome to visitors and residents as they enter the “**Gateway to the Laurel Highlands**”. This park with graphic salutation replaced a previous two-sided sign sponsored by the **MLCC**, removed during the roadway reconstruction.

These and the many other daily efforts of our elected local officials, representatives and the staff assisting them do not receive enough recognition for the promotion of business within their respective governmental units and districts beneficial to the **MLCC**. The board of the **MLCC** has taken note of the help extended to our members individually and through the **MLCC** by elected representatives and extend to each one thanks and appreciation for such help and participation for the benefit of our members in the **Mountain Laurel Chamber of Commerce**.

Sincerely,
Robert W. King

It is with heavy hearts that we remember Mike

Representative Mike Reese, 42, a six-term Republican member of the state House, passed away on Saturday, January 2, 2021. He was first elected in 2008, he began serving in state government in 2009-10 and was most recently re-elected on November 3rd. He served on the House Commerce and Children and Youth committees. He was a Westmoreland County native and a resident of Mt. Pleasant Township. Mike is survived by his wife, Angela, and their three young children. The Mountain Laurel Chamber of Commerce honors Mike's life and the work he did for our communities and business.

Deanna Richter LHTC Broadband... "I was so shocked to hear about Mike Reese. He has always been a friend to our Company and just an all-around nice guy. The last time I saw him was the Ribbon Cutting. He was so charismatic and just liked to have fun. I will truly miss working with him."

Alex Moser Seven Springs Mountain Resort... "I met Mike a few times at Laurel Mountain and always enjoyed our conversations."

Dan Pribisco Donegal Township Supervisor... "Great man indeed."

Gil Widenhofer LCT Energy... "I was very sad to hear about Mike. He was very down to earth, well grounded in his principals and very approachable. I always thought he was one of the good men that served in public office he will be missed by all. I could tell that he was a strong family man and always enjoyed the opportunity to have discussions with him."
Josh Crowe Berkshire Hathaway... "Mike was a good guy. He helped me different times with issues on selling some properties and he helped my grandpap a lot in dealings with PENNDOT."

Kris Enberg MLCC... "Colleagues in Harrisburg refer to him as, "The Rising Star". Over my tenure with the MLCC I was fortunate to work under Mike's leadership in the following arenas that led us to our success and development of who we are today: Rebuilding of the Laurel Highlands Hiking/Snowmobile Trails; Reopening of the Laurel Mountain Ski Resort; Smart Growth Citizens for the Future of Route 31; Donegal Borough/Township Comprehensive Plan; Route 31/PA Turnpike Expansion

Project; Pennsylvania Environmental Council Visitor Center Feasibility Studies; Rustic Ridge Deep Mine and Marcellus Shale. Friendships cultivated through the years were equally important as the projects.

Mike was very visible within our membership and our communities, sponsoring and attending many functions. A takeaway from article I read was how much of a family man Mike was and how he would drive home after a session in Harrisburg to be with his family and drive back the next day. I agree! There were many a golf outing that he would look at me and say, "I gotta go Kris, I have another meeting to get to." I'd smile and know he was going home to be with Angela and the kids.

Mike was also strong in his faith. He attended St. Florian Church in United and was often seen serving on the alter and calling out bingo numbers at the church festival. He was an avid sport enthusiast and little league coach.

When I remember Mike, I remember him vividly as the charismatic person Deanna said he was. Mike's family and mine are lifelong friends as we grew up going to the same church and grade school and watching Mike grow always amazed me whether it be personally or professionally.

Heartfelt sympathies to the entire Reese family and family of friends. Mike will always be "A Rising Star" and a Historian to our communities."

Donations in Mike's honor may be made payable to Angela Reese (Mike Reese Memorial on the memo line) and mailed to Standard Bank 211 West Main Street Ligonier PA

Be EXCITED!

Thank you to our returning members for renewing.

January 2021

On behalf of the Indian Creek Valley ATV Club, I am pleased to announce that we were recently awarded a \$10,000 grant from Yamaha Motor Corporation, U.S.A., as part of its Outdoor Access Initiative (www.yamahaaoal.com).

The Yamaha Outdoor Access initiative is a proactive, grassroots program supported by Yamaha motorsports dealers and customers nationwide promoting safe, responsible riding and sustainable, open riding areas.

Our Yamaha grant will fund our 2020-2021 trail restorations and maintenance efforts and connect our organization with other Yamaha grant recipients including off-highway vehicle (OHV) riding groups, state and national land managers and local government agencies across the country.

This grant allows us to improve the quality and safety of our trails. We are proud of our efforts to keep local land accessible and safe for off-road enthusiasts, and wanted to make you aware of this important achievement here in Melcroft, PA.

The Indian Creek Valley ATV Club, and IRC 501(c)7 non-profit, was formed in 2000 as a family oriented organization promoting outdoor safety and respect for the environment. Located in the town of Melcroft, in Saltlick Township, Fayette County, the Club is situated in the scenic Laurel Highlands about an hour from Pittsburgh and within minutes of Seven Springs Mountain Resort. Current Club participation exceeds 550 family memberships representing over 800 ATV, side-by-side, and off highway motorcycle riders from nine Pennsylvania counties and three adjacent states. The Club is one of only two Off-Highway Vehicle (OHV) riding facilities available to the public in Allegheny, Greene, Fayette, Washington, and Westmoreland counties. Yearly membership, for a nominal fee, is required. The Club maintains over 40 miles of OHV trails varying in challenge classification from beginner to most difficult and including off-road motorcycle single track on over 700 acres of purchased or leased land.

Subsequent to the grant, the Yamaha Outdoor Access Initiative released a Featured Case Study of the Club. It can be found online at:

www.YamahaOAI.com/project/Indian-Creek-Valley-ATV-Club/.

YOUR OPPORTUNITY TO ASK THE ATTORNEY

Bradley A. King, Esq.
King Legal Group, LLC
Jones Mills
724-836-1500

Q

What does probate mean? I've heard that I should create a living trust so that my estate avoids probate after I pass away. Is that true?

A

Probate is the formal legal process by which the deceased person's Last Will and Testament is filed, an Estate is opened, and the executor or personal representative of your Estate is appointed to administer your Estate and distribute assets to the appropriate beneficiaries. You should always contact an attorney for estate planning advice and to determine whether it is in your best interest as well as the best interest of your heirs to avoid probate through the creation of a trust. However, probate is not typically much more expensive or prolonged compared to administering your assets through a trust after you pass away, particularly due to the fact that Trusts can be expensive to create. Many types of assets pass outside of the probate process without the need for a Trust, such as life insurance proceeds and assets held jointly with a right of survivorship. Whether your estate is handled by a personal representative in probate or probate is avoided with a Trust, the administration and accounting for assets and filing of an inheritance tax return are still necessary.
