July 2021

A message from Rob,

With the lifting of the government restriction on association and assembly, the in-person outreach of the **Mountain Laurel Chamber of Commerce (MLCC)** to, though and on behalf of our member businesses is surging. **MLCC** hosted and its member businesses sponsored the returning **MLCC 22nd Annual Golf Outing** held this year at **Seven Springs Mountain Resort**, as noted last month in this space, and in June, member businesses **Michele Meucci – Al Meucci Real Estate, Fox's Pizza Den – Donegal**, and **Sarnelli's Corner** sponsored the Kid's Fun Day featuring activities and events for local children at **Yogi Bear's Jellystone Park Camp-Resort**. Be sure to check of the day's recap on page 8.

The **MLCC** was also proactively involved in the successful effort of community residents and our member businesses, to preserve the Donegal Elementary School from closure by the Mount Pleasant School Board this coming year. This writer, appearing and supporting more than 70 others before the School Board in May, vigorously asserted the need for the operation of the school to encourage families to locate and remain locally being critical to support, create, work within and demand products and services from local businesses now members and to become the future members of the **MLCC**, with the added advantage to the school district of increase in the tax base from new lot and home sales and home starts numbering in the hundreds over the last decade. The **MLCC** is proud to report, not only success in preservation of the school but also the return of an additional elementary grade previously removed by the School Board.

The **MLCC**, knowing that we are **BETTER TOGETHER**, encourages the continued support of all of the member businesses in the events and activities of other business members, by giving recognition to the sponsors with inclusion of their respective names in this space each month. With this in mind, please step in and up to take advantage of this policy offered to rightly reward and honor the business members acting to be **BETTER TOGETHER**.

Sincerely,

Robert W. King

MLCC President

YOUR OPPORTUNITY TO ASK THE ATTORNEY

Bradley A. King, Esq.
King Legal Group, LLC
Jones Mills
724-836-1500

Q

I'm purchasing my first home and my lender is requiring me to pay for a title examination and title insurance. Why?

A

Title insurance benefits the lender and you too if you also request an Owner's Title Insurance Policy. Liens against the property and prior owners of the property, such as unpaid taxes, outstanding mortgages, judgments, etc. will pass with the property and become your obligation if they are not paid at or before closing of the transaction. Also, any rights of way, easements, gas leases, etc. granted to others by prior owners will affect your title to the property. Title examinations review the public record to locate these issues that may affect your ownership of the property before you purchase the property. You, and your lender, will require the sellers to pay all liens against the property and correct title issues before the property, with the liens and title issues, is conveyed to you. Title insurance ensures that the current owners have the legal right to convey the property to you, any outstanding liens are found and satisfied, and you have good title to the property upon conveyance.
