June 2021

A message from Rob,

In the spirit of recovery from the impact of inconvenience experienced by all of us during the last year, the **Mountain Laurel Chamber of Commerce (MLCC)** has again taken action and spoken up to preserve our business culture which includes preservation of locally provided public education at local elementary facilities to ensure the future prosperity of businesses in our **MLCC**. Again, we presented annual spring golf outing of the **MLCC** and support the teachers and families responsible for delivery of education at the local Donegal Elementary School to the children that will be our next generation of business.

As many of our members & friends of the chamber attended and supported the **MLCC 22nd Annual Golf Outing** last month at **Seven Springs Mountain Resort**, business ties, challenged with the shut-down of the last year, were renewed and furthered with participation of those in new businesses. All in attendance were greeted with a new format in dining on the course with presentation of food and beverages at holes and tees to encourage play without disruption with generous sponsorship, particularly from our **Title Sponsor, Seven Springs Mountain Resort**, our **Platinum Sponsor, Smail Auto Group**, our **Gold Sponsors, Amerikohl Aggregates Inc., BHHS The Preferred Realty-Donegal, CME Engineering, Firestone Insurance Agency, Hansen Aggregates Inc., LHTC Broadband, Trent House Inn**, and our **Bronze Sponsors, Acme Pizza Company, BHHS The Preferred Realty-Josh Crowe, the Daily American, Dipaola Quality Climate Control LLC, Donegal Dairy Queen, Donegal McDonalds, Foggy Mountain Lodge & Restaurant, G&D Market, Graystone Landscape Supply Company, Hughes Physical Therapy, Luther P. Miller Inc., Mark C. Brooks Funeral Home, NovaCare Rehabilitation, Out of the Fire Café, Ridgeline Heating & Cooling, Sadler Bruner Insurance Agency, Shari Bukovac Bookkeeping, Somerset Trust Company – Champion, the Country Pie Shoppe and Westmoreland County Commissioner Sean Kertes. Teams battling for first place recognition on the “Chamber Pot” included: Seven Springs Mountain Resort, Smail Auto Group BHHS The Preferred Realty Donegal, CME Engineering, Firestone Insurance Agency, Hanson Aggregates, LHTC Broadband, Trenhouse Inn, Al Meucci Real Estate/Marlene Kalp, Champion Lawn Ornaments, LCT Energy L.P., Laurel Mountain Homes, Shari Bukovac Bookkeeping, See Mor’s All Star Grill, Ann Shields – Individual Team, Merle Shields – Individual Team, Jeff Jones – Individual Team, Norman Stout – Individual Team, and Sandy Campbell – Individual Team. Special thanks to our members who supported the outing as volunteers: LHTC Broadband, SeeMor’s All-Star Grill, Shari Bukovac Bookkeeping, Somerset Trust Company, and the Trent House Inn. The weather was chilly at times but all in attendance were anxious and happy to be outside with friends and celebrating the recovery of the event and efforts of the **MLCC**. Congratulations to Jeff Jones and his team for being this year’s first place team and receiving 2021’s name recognition on the Chamber Pot.**

The **MLCC** was also presented with sad news of efforts of the many members of the Mount Pleasant School Board to close and relocate the elementary students at the Donegal Elementary School. After the months of psychologically devastating isolation

(Continued from page 3)

of young children, this only adds to such injuries by putting children in grades K to Third on bus rides twice a day of an hour or more to distant schools now overcrowded and experiencing serious problems of delivery of academic programs to existing students. To come out of this difficult period, the presence of the local elementary school preserves family unity incident to participation and proximity of extended family and parents to the youngest students at the outset of institutional education. The elementary school provides a draw to young families to come to and remain local where our business members need the support of local families for new business starts, workers and sustain demand for services and products of the members of the **MLCC**.

I ask the members of the **MLCC** together with their employees and families, knowing that we are **BETTER TOGETHER**, to join me in vocal and in-person support of the efforts of more than 100 residents already mobilized to persuade the school board members to support our children and businesses with continued delivery education to students on site at the elementary school in Donegal. This cause and effort, for which more detailed information can be found online & Facebook at, **SAVEDONEGAL.COM / Keep Donegal Elementary Open** is supporting and in line with the fight of the **MLCC** to return our business community to prosperous production and expansion begun with the golf outing and coming gatherings sponsored by the **MLCC**.

Sincerely,
Robert W. King
MLCC President

Q

If I transfer my property to my children before I pass away, but I retain a life estate interest in the property so I have the right to live in my home until I die, are there any consequences to my estate after I die?

A

If you retain a life estate in the property you transfer to your children before you die, it will be subject to inheritance tax. Pennsylvania will levy additional inheritance tax on your estate based on the value of the property in which you hold a life estate interest on the date you pass away. You should contact an attorney for an estate planning consultation, including the best ways for you to minimize inheritance tax on your estate.
