November 2021***A letter from Rob,***

The hugely successful annual **Ladies' Day Bash** of the **Mountain Laurel Chamber of Commerce (MLCC)** held at the end of September, attended by hundreds, marked the return to full presentation of the events and activity of the **MLCC**. As we have moved through fall, all of us have focused on the joy of the approaching holiday season. The **MLCC**, particularly through the efforts of Kris Enberg and Stef Cramer in our office, has planned celebration of the holidays by promoting events to make our members and the community **BETTER TOGETHER**.

Please mark your calendars for events promoted by and detailed on the **MLCC** website, including **Berkshire Hathaway the Preferred Realty Donegal Office Family Photos, Braddock Trail Chapter DAR Festival of Lights, Christmas in the Barn, Christmas in the Mountains, Leeper Meats, Living Treasures Wild Animal Park Holiday Light Extravaganza, Melcroft Tree Lighting, Silver Penny and Springfield Township Light-up Night**. Check out the ads in this flyer for dates and times of these upcoming holiday events. Please make a point to set aside time to join in these events. The schedule for the **Living Treasures Holiday Light Extravaganza** is located in center pages so it can be easily removed and hung on your refrigerator so you don't miss this holiday family experience. Take advantage of the opportunity to meet and become familiar with the services offered by all our members while introducing their unique services and programs made available to other members and the public. Know that your involvement will make all involved be **BETTER TOGETHER** by working through and with the **MLCC** to successfully expand the business of the businesses in the community. Another holiday item coming soon is the **Annual MLCC Stocking Stuffer Ticket**. Check out the ad on page 4 to see a listing of the great donations to the ticket so far. The **MLCC Stocking Stuffer Ticket** makes a great gift, so keep an eye on our Facebook page for them to hit the streets.

As always, I again encourage all to use and take advantage of the online and print publication services and tools available to the members of the **MLCC** through the office. Our staff is available daily, working **BETTER TOGETHER** to help with specific concerns and needs of members by phone, email and in person through the office of the **Mountain Laurel Chamber of Commerce** at 4111 Route 31 in Jones Mills.

Sincerely,

Robert W. King**MLCC President****King Legal Group, LLC**

The 2021 MLCC LADIES' DAY BASH WAS HIT OUT OF THE BALL PARK

Sometimes in these trying days we forget what it means to be a part of a community. **The Mountain Laurel Chamber of Commerce (MLCC) Ladies Day Bash (LDB)** held on Sunday, September 26th, 2021, at the Donegal Event Center was not one of those times!

Committee Chair **Shari Bukovac** of **Shari Bukovac Bookkeeping** stated in her closing remarks: "We try to create a fun day for our ladies. One that is filled with laughter between good friends, good food & drink and where lady luck allows some to take away a little winnings."

Many questioned the purpose of the event. **MLCC Executive Director Kris Enberg** proudly pointed to the newly printed sign at the front of the room that read: *The Mission of the Mountain Laurel Chamber of Commerce is to enhance the economic growth and development of the business community by offering a variety of services and programs to meet the need of local businesses, residents, and tourists.* Kris smiled and replied: "Today's accomplishments fit perfectly within our mission of offering community events for our residents." Kris went on to say that the members of the community are now inviting their family and friends to attend. We had ladies attend as far away as Harrisburg. Proceeds from the event go to the Chamber's budget operating expenses where they will be disbursed to continue forward within the mission of the organization.

A colossal reason and, one that is most appreciated, for the success of the **LDB** is, its sponsors. **Rob King of King Legal Group LLC** has been sponsoring the event since its inception and, **Josh Crowe of BHHS The Preferred Realty** had so much fun volunteering in 2019 that he graciously joined Rob this year as a co-sponsor.

Once again, the ladies in attendance flocked over the highly sought-after wine spritzers from **Sarnelli's Wine Cellar**. New this year, a delicious three entree luncheon was catered by **Truckin' Fresh Food Truck**. Dessert was provided by **Heirloom Pines**.

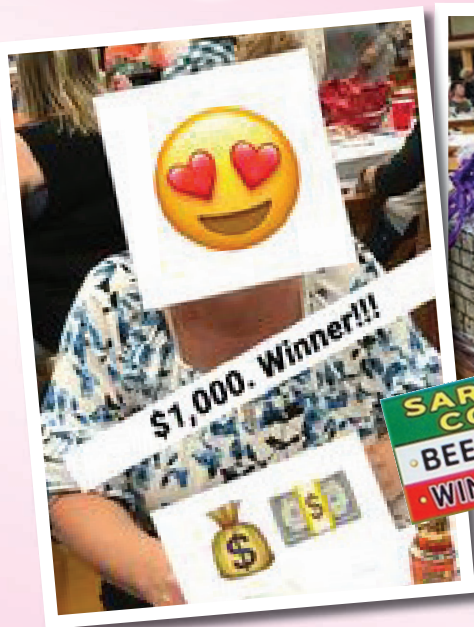

When they say, "volunteerism is a thing of the past." Kris said, "not in our community!" Volunteering was a two-day event and nearly 30 people showed up to with a to do whatever it takes attitude to get the job done! The following is a paragraph taken from the event program; "May **God Bless the Light on the Hill Outreach Church** and **Love Abounds** for being with us today and every day. You ladies are fabulous! We love you and everything you do for our communities, thank you! Special thanks to all who sold tickets, donated items and, proudly support the event!

To take a few Facebook quotes from after the event it's certain to say the **MLCC LDB** will return next year! "These ladies hit it out of the park today!" "Had a blast, can't wait to next year!" "Really had a good time, great job!"

Kris, thanked everyone in attendance by saying; "We hope you enjoy us as much as we love having you." She also thanked her Administrative Assistant, Stefanie Cramer, for a job well done along with, thanking her committee chair Shari Bukovac who believes; "Faith has no Fear."

Until next year, Friends of the MLCC Ladies Day Bash Committee.

YOUR OPPORTUNITY TO ASK THE ATTORNEY

Q

I'm a general contractor and I remodel homes. I found a general form contract online that I use for construction work. Should I have an attorney review my contract?

A

Yes, a law called the Home Improvement Consumer Protection Act places strict standards on construction contracts. If the law is not followed, the law can make your contract unenforceable. For example, the contract will be unenforceable if it does not contain the projected start and completion dates for the project, a detailed description of the work and materials to be used, which cannot be changed without a signed change order, and a notice that the homeowner has a right to cancel the contract within 3 days after signing, among other requirements.
