### Message from the MLCC President

ROB KING

Summer is here and the Mountain Laurel Chamber of Commerce (MLCC) is fully focused on outreach events. Particularly, the MLCC Community Day and Members' Picnic was held at Mountain Pines Campground and sponsored by LTC Energy LP and Somerset Trust Company, Champion Office. Members in attendance enjoyed a delicious picnic dinner catered by Juliann Brown of the Trenthouse Inn. Juli's menu included baked mac n' cheese & grilled watermelon salad with arugula topped with blueberries and feta and served with grilled chicken & veggie kabobs from G&D Market & beef brisket from Leeper Meats, adult beverages from Sarnelli's Beer Distributor & Wine Cellar, and dessert from the Country Pie Shoppe. Sincere thanks are extended for the efforts of Mountain Pines Campground in conjunction with their Bicentennial Year Anniversary to support and champion local business and event sponsors coordinated through Executive Director Kris Enberg and Administrative Assistant Stefanie Cramer.

The Annual MLCC Golf Outing was well attended even with some extreme weather events disrupting the game from time to time. The golf outing was sponsored by King Legal Group, LLC, Amerikohl Aggregates, LHTC Broadband, Smail Auto Group, Somerset Trust Company, BHHS The Preferred Realty Josh Crowe, The Country Pie Shoppe, Donegal McDonalds, Foggy Mountain Lodge & Pub, G&D Market, Hanson Aggregates, Hughes Physical Therapy Services LLC, Mark C. Brooks Funeral Home, Ridgeline Heating & Cooling Inc., Sadler-Bruner Insurance Agency, Sarnelli's Corner, and Trenthouse Inn. This year's winning foursomes were Smail Auto Group in 1st place and Ritenour Lumber Company in 2nd place. The competition was held at the Highlands Golf Course at Seven Springs Mountain Resort. Once again, this event could not have happened without coordination through Kris & Stef.

This writer and Lin Podolinsky from the Indian Creek Valley Christian Family and Children's Center/Champion Christian School were happy to speak in support of the Rustic Ridge Mine expansion application of LCT Energy LP submitted to and the subject of an informal public conference hosted by the Department of Environmental Protection, Commonwealth of Pennsylvania, on May 25, 2022. This writer having directly observed the performance of LCT Energy LP and the operations of other mining companies operating over the last four decades in Donegal and Springfield Townships, was pleased to acknowledge the excellent record of its operations since opening. Since the beginning of mining operations, the number of local jobs has increased, demand for services of existing and new businesses has been created, new families have moved into the area supporting the continued need for locally offered education at the Donegal Elementary School, Springfield CNP Elementary School and Champion Christian School.

Remember to seek and use the services available to enhance your business with a call or email to Kris and Stef at the MLCC office on Route 31 in Jones Mills.

**MLCC MEMBER HIGHLIGHT**

One of the oldest campgrounds in the country is celebrating its 100th anniversary!

Mountain Pines Campground was born as the Newill's Grove Picnic Area in 1922. It was built by Dr. Domer S. Newill to give back to his community of Champion, Pennsylvania, a small town in the Laurel Highlands region of southwestern Pennsylvania. In those days, much like today, the Laurel Highlands was an escape from the hustle and bustle of daily life. Wealthy Pittsburgh residents made summer homes in the Laurel Highlands before the turn of the century. Travelers followed the National Road to the mountains and traded hot summer days for mountain breezes in the days before electricity. The campground changed owners and names over the century, starting as Newell's Grove, to Maple Grove, to the then popular Cutty's and finally, today it's known as Mountain Pines Campground to thousands of campers.

Although the campground has changed- mainly it's expanded from 100 sites to nearly 1,000- the reasons people choose to camp here has stayed the same. For some it's to immerse themselves in nature escaping the hustle for some quiet time, and for others it's to spend time with great company and lots of fun things to do. One thing that remains true for every camper is that they flock to Mountain Pines Campground for many of the same reasons that they did in 1922 – to enjoy the great outdoors while making memories with their families.

Bradley A. King, Esq.  
King Legal Group, LLC  
Jones Mills  
724-836-1500

**Q** What is the difference between libel and slander?

**A** Slander is the term generally used to describe false statements of fact made orally, which damage the reputation of a person or expose that person to public ridicule or contempt. The term libel means false and injurious statements of fact made in writing against another person. Both slander and libel are forms of the broader legal claim known as defamation, which can be the basis for a lawsuit against the person who made the false statements of facts. However, contrary to what many believe, a person's statement of opinion about another person cannot be the basis for slander or libel. The statement must be a false statement of a fact about another person to be the basis for a slander or libel claim.
