A Message from Deanna

April 2023

Happy Easter to you all! May this joyful season of Easter fill your hearts with renewed hope, love, and peace. For all those Easter Bunny helpers, don't forget to visit our retail members to find **eggs-xtraordinary** treats to fill those Easter baskets!

Deanna Richter
MLCC President

Spring has sprung and I'm sure many of you are planning on tackling your outdoor projects in the coming weeks. If you are looking to spruce up your patio or outdoor area stop by **Champion Lawn Ornaments & Gifts, Hemlock Lane Designs, Witt's Nursery** or **Pletcher's Farm Market** for furniture, plants and accessories. If you are working on a larger scale project, check with **Expert Paving Co. LLC., Champion Lumber Co., Graystone Landscape Supply Company** or **Ritenour Lumber Company, Inc.** for lumber and landscaping materials.

Springtime is also a good time to have your home heating and air conditioning systems checked. **Dipaola Quality Climate Control, JM Mountain Top Heating** and **Highland's Quality Climate Control's** contact information can all be found on the **MLCC** website under the Directory tab.

If home improvements aren't on your list for Spring, perhaps, getting out on the golf course is on it! The **24th Annual MLCC Golf Outing** is scheduled for Friday, May 19th at **King's Mountain Golf Course**. After the tournament begins at 1:00PM and includes lunch, contests, skill prizes, auction, and an awards ceremony. An After Party will be held following the awards ceremony with steak dinner prepared by Juliann Brown of the **Marinades Grill**. Registration and sponsorship information can be found on our website and Facebook page. Spots are limited so be sure to secure your team's space today!

No matter what's on your Spring to-do list, be sure to get out and enjoy all that our community and our MLCC members have to offer. A complete list of members, their services, and links to their websites can be found on www.mlchamber.com. Also, check the MLCC Facebook page (@MountainLaurelChamber) for updates on member events, specials and more!

Sincerely,
Deanna Richter
MLCC President

MLCC MEMBER HIGHLIGHT

The Mountain Laurel Community Support Organization provides annual Eleanor G. Morris Community Service Scholarships. These scholarships assist the further education of graduating students who have demonstrated their commitment to community service.

In 1951 Dr. Eleanor Morris and her physician husband Frederick moved to the Laurel Highlands from their Pittsburgh assignments at Shadyside Hospital. Although his was a move to retirement, she began a new career as her community's doctor, touching many lives with her healing hands and generous heart. Dr. Eleanor, or "Doc" as so many fondly knew her, was alert not only to her patients' requirements but also to other needs in her community.

No matter the time of day or the weather conditions, she traveled all over the area with the help of her trusty jeep, or occasional use of snowshoes, to bring her medical assistance to patients in need. Until she hung up her stethoscope in 1990, Doc ministered to the medical needs of many.

With financial support from the Pike Run Country Club she organized the Indian Creek Valley Child Health Center and helped more than 3,000 children, many of them babies. A corner of her office in Jones Mills was reserved for accumulating and distributing various articles of gently used clothing.

Dr. Morris rose to the challenge of other community needs, too. Because she loved to read and placed a high value on books, she offered her ideas and motivation to establish a small book collection available for local residents to borrow. Annually she organized the Red Cross blood drive and for several years was the doctor for Camp Easter Seal in Somerset County.

Her respect for and love of nature motivated her to support many conservation efforts, not only on her land, but also through organizations such as Powdermill Nature Reserve and the Westmoreland Conservation District.

Dr. Morris was a friend to all animals -- many a lost pet was taken to her for care until an owner could be found, and she nursed back to health a variety of injured domestic as well as wild animals and birds. She believed strongly that healthy wild animals should remain in their forest homes, but she did make an exception for her buck and doe, Sam and Sarah.

Throughout her life, Dr. Morris called upon her caring spirit to help many who lived in the Laurel Highlands and when she died in 2005, she left an honorable legacy of community service to which the Eleanor G. Morris Community Service Scholarship is dedicated. Since 2007, \$97,220 has been contributed by local residents and businesses which has allowed the Mountain Laurel Community Support Organization to recognize seventy students for their outstanding service to their communities.

To support the scholarship fund, contributions can be made to the Mountain Laurel Community Support Organization and mailed to P.O. Box 175, Donegal, PA 15628.

YOUR OPPORTUNITY TO ASK THE ATTORNEY

Bradley A. King, Esq
King Legal Group, LLC
Jones Mills
724-836-1500

Q My friend mentioned that I should create a Will and a Power of Attorney. What is the difference between the two?

A A Will outlines the manner in which your probate assets (i.e. assets passing through your Estate) should pass to the beneficiaries named in your Will upon your death. It also appoints the person(s) who will administer your estate and distribute the estate assets pursuant to the Will. A Power of Attorney is effective during your lifetime and allows you to appoint a person(s) to handle your financial affairs should you become temporarily or permanently incapacitated or if you are simply unable to do so. The Powers of Attorney I draft also include a Medical Directive, which appoint a person to make medical decisions for you in the event that you are incapacitated. It is important to always have an effective Will and a Power of Attorney for yourself.
