A Message from Deanna

April 2024

"The greatness of a community is most accurately measured by the compassionate action of its members."

~Coretta Scott King

Deanna Richter
MLCC President

The **Mountain Laurel Chamber of Commerce (MLCC)** would not be successful without the dedication and support of its members. The unique variety of businesses and organizations that make up the **MLCC** enhance our community and the efforts of the Chamber. Former Executive Director, Kris Enberg, created the tag line, '**Better Together**' several years ago for the Chamber. We truly are better together as a Chamber and community and the results prove it! We work together as business owners and community leaders to keep our region prospering. As you look through this Membership Directory you will find members big and small. This collection of members not only provides services to our community, but they also support the efforts of the **MLCC**. Community events, charitable fundraisers, special events, students of the month and other efforts to bolster our community and attract tourists to the area. We look forward to continuing to grow better together! Thank you to all our members who continue to support our efforts and are helping take the **Mountain Laurel Chamber of Commerce** into the future!

Sincerely,
Deanna Richter

YOUR OPPORTUNITY TO ASK THE ATTORNEY

Bradley A. King, Esq
King Legal Group, LLC
Jones Mills
724-836-1500

Q

Can a beneficiary named in my mother's Last Will and Testament choose not to take the inheritance from my mother's estate? If so, how would she do this and what effect does that have on the estate?

A

Yes, an heir can choose to disclaim his or her right to inherit from the estate. The person will have to sign a disclaimer, which must be filed at the Register of Wills' Office. If he or she does so, the legal effect of that disclaimer is that the person who disclaims is treated as though he or she predeceased your mother for the purposes of determining the inheritance taxes imposed and who will inherit the disclaimed share of the estate.
