## A Message from Deanna

Deanna Richter  
MLCC President

### May 2024

May is in full bloom and so are the **MLCC** activities. Our **25th Annual Golf Outing** is set to take place on **Friday, May 10th** at **Glengarry Golf Links**. Thank you to all our sponsors who helped make this event possible and good luck to all our golfers! We will also be wrapping up our Student of Month awards this month for the 2023-2024 school year. See **page 20** for this month's awardee and check back in October as we begin the awards for the 2024-2025 school year. These awards would not be possible without the generosity of our members and their investment in the education of our youth community. The **MLCC** is also busy planning and preparing for this year's **Annual Community Picnic at Mountain Pines Campground on Wednesday, June 19, 2024**. Make sure to Save-the-Date and don't forget to contact the **MLCC** office to register! A BIG "Thank You" to all of our sponsors; **American Sewer Specialists, Amerikohl Aggregates, Inc., Champion Lumber Company, Denise Kintigh Insurance Services, Donegal McDonalds, KSL Roofing and Remodeling, Marinades Grill Catering, and Ridgeline Renovations & Black Ridge Contracting and Excavating LLC**. See **page 6** for more details.

Stefanie has also been busy growing our membership and highlighting many of our members' fantastic events, merchandise and services on our Facebook page. If you haven't already, head over to **Mountain Laurel Chamber** and 'Like' the page so all the content shows up on your feed daily.

Since it is May don't forget to get Mom something nice for Mother's Day! I can think of several **MLCC members** that have the perfect presents for moms with all types of interests and hobbies. Whether you are looking for jewelry, flowers, candles, food or lawn décor, our members can help make the day special for all the moms in your life.

Let's not forget about Memorial Day at the end of month. This weekend is sort of the unofficial start of camping season and tourism in the Laurel Highlands. Many of our seasonal members will be opening for the year and others will be having specials and events to highlight this exciting time of year. Be sure to visit our website, [mlchamber.com](http://mlchamber.com), for the entire list of **MLCC members** for all your camping and party needs!

Sincerely,

**Q** I have a small business remodeling homes for people. I'm owed around \$20,000 for work that I did on someone's house, but I have had trouble getting them to pay me. What can I do legally?

**A** You might have a basis for filing a mechanic's lien against the person's property depending on the circumstances. Filing a mechanic's lien provides you with an automatic lien against the property until the person pays you in full, which also effectively prevents them from selling the property to another person without paying you and removing your lien. However, the mechanic's lien statute has strict requirements that must be met before you are entitled to a lien. For example, you will be barred from filing the lien if more than 6 months have passed since you finished the work on the home.
