A Message from Deanna

April 2025

Spring is finally upon us, and I think we are all ready for the warmer weather! This winter has been colder than those in recent years, but it has been great for winter activities.

Deanna Richter
MLCC President

Throughout the winter the **MLCC** has been busy planning several events for this year! In April we will be distributing our **bi-annual Fun Map** which can be found in all Go Laurel Highlands brochure racks and at the **MLCC office**. On May 1st we will be hosting our first ever **Paint Night** with **Practically Perfect Painting, Crafts, and Events LLC**. at **Donegal Event Center** from 6-9PM. Then on May 16th we will hold our **26th Annual Golf Outing** at **Norvelt Golf Club**. **Kids Day** will be held again in June this summer. Stay tuned for more details on it. September will be the **12th Annual Ladies Day Bash** at the **Donegal Event Center**. In November we will be teaming up with the Fayette and Westmoreland Counties Food Banks and local elementary schools to collect toiletries and hygiene products for those in need. Also, in November we are working on putting together an event for Photos with Santa for kids and pets.

As we approach each of the events mentioned above, we will continue to provide information on our **Facebook page**, in this magazine and our website; **mlchamber.com**. If you ever need more information please don't hesitate to reach out to Stef at our office, 724-593-8900.

The **MLCC's** goal is to bring the community together, businesses and residences. We continue to strive to develop new ideas and look for ways to highlight our members and their services and products. This year is already off to a great start and we look forward to springing into all of events we have planned!

Wishing you all a Happy Easter!

Sincerely,
Deanna Richter
MLCC President

MLCC MEMBER HIGHLIGHT

KING LEGAL GROUP, LLC
ATTORNEYS AT LAW

As the law firm nears fifty years of representing the residents of the Laurel Highlands and the firm’s founder, Rob King, confines his work to real estate and estate planning, Brad King has taken over the management and operation of King Legal Group. Brad handles all of the law firm’s cases involving litigation before the courts with the strong support of Associate Attorney, Tanner Yawitz, who joined the law firm almost two years ago.

Brad has acted as lead trial counsel in numerous jury and non-jury trials throughout Pennsylvania and has served the people and families of the Laurel Highlands, particularly in Westmoreland, Fayette, and Somerset counties for 15 years. In 2023, the law firm welcomed Tanner Yawitz as an associate attorney to continue the firm’s growth into the next generation of the legal field. Originally from the Greensburg area, Tanner attended Penn State Law School where he graduated at the top of his law school class and received virtually every trial advocacy award bestowed by the law school before returning to the area to work with King Legal Group.

Our attorneys not only handle litigation in all practice areas of the firm, but they also have decades of combined experience advising and assisting clients in a wide variety of non-litigation matters. In addition to Brad’s extensive litigation work, Brad and Rob continue their representation of clients in real estate development and transactions, business law and transactions, as well as estate planning and estate administration as a significant portion of their law practice. We have helped thousands of clients with estate planning using a combination of documents crafted to fit your needs and goals, including Wills, Powers of Attorney and,

when appropriate, trusts, we help you construct a plan to using a combination of documents crafted to fit your needs and goals, including Wills, Powers of Attorney and, when appropriate, trusts, we help you construct a plan to ensure that you have the assistance and care you need during life and to preserve your legacy after you pass. Our team also personally guides clients who have been appointed as personal representatives of estates through all aspects of the estate administration process to ensure that the process moves smoothly and efficiently with the least possible difficulty to our clients.

We also assist clients with contract drafting, negotiation, and disputes, all aspects of real estate transactions, including closings, personal injury and workers’ compensation litigation, and business law and commercial transactions, including establishing and structuring businesses as well as the sale and purchase of businesses and their assets. Rob, Brad, and Tanner have developed strong reputations as vigorous advocates for our clients, which is reflected by the fact that the large majority of our clients are either repeat clients or have been referred to us by other clients and by other attorneys in the area, including many attorneys against whom we have litigated cases.

We understand that legal matters can be both stressful and daunting and that finding a skilled and responsive legal team, while sometimes difficult to find, is imperative to accomplish your legal goals and to provide you with peace of mind. Our team at King Legal Group is eager to partner with you to help you with any of your legal needs. Please do not hesitate to contact us if you have any legal questions.

YOUR OPPORTUNITY TO ASK THE ATTORNEY

Bradley A. King, Esq
 King Legal Group, LLC
 Jones Mills
 724-836-1500

Q Can I dictate in my Will who will receive my life insurance proceeds and my investment accounts?

A The answer to your question depends on whether you have designated beneficiaries for your life insurance and/or your investment accounts. If you have designated certain people as beneficiaries of your life insurance and your investment accounts, your Will won't govern who receives those assets because the beneficiaries you've designated will receive them. With the beneficiary designations, these assets are considered "non-probate" assets, which are assets that do not pass through your Estate or under the terms of your Will. Therefore, you should ensure that your beneficiary designations are always up to date and reflect the people you want to receive those assets. Although life insurance is not subject to inheritance tax, most other non-probate assets are still subject to inheritance tax even though they do not pass through your Estate.
