A Message from Deanna

March 2025

*May you have all the happiness
And luck that life can hold
And at the end of all your rainbows
May you find a pot of gold.*

Deanna Richter
MLCC President

Since St. Patrick's Day is March 17th it seemed appropriate to start this month's letter with an Irish blessing. Many of our local businesses will be celebrating this Shamrockin' holiday with specials and themed meals and baked goods. Be sure to check our [Facebook page](#) for all that's lucky and green!

We have had lots of snow this winter so hopefully you have been out building the perfect snowmen for the **Annual MLCC Snowman Contest**. If you have, be sure to post your favorite one to the official contest post on our [Facebook page](#) **March 17th-31st** for a chance to win a great prize! We can't wait to see all the unique and fun snowmen you built. Good Luck and the winner will be announced on Facebook!

The **2025-2026 MLCC Fun Map** will be available starting in April in all Go Laurel Highlands brochure racks and the **MLCC office**. If you know anyone coming to visit the area, the map is a great reference, and it includes coupons and specials.

Please save-the-date for the **26th Annual MLCC Golf Outing at Norvelt Golf Club!** The outing will be held on **Friday, May 16th**. For more details, check out the registration form on pages 5 & 6. You can get more information on the outing in this magazine, by visiting [MLChamber.com](#) or contacting Stefanie at 724-593-8900. We are also still looking for sponsors for the event. The outing is a great place to advertise your business on the course through hole sponsorships, event program advertising and leader board recognition.

The first day of Spring is almost here and as the weather begins to warm up the number of things to do will be growing here in the Laurel Highlands. As always, please visit the [MLCC Facebook page](#) and website for all the latest information.

**Sincerely,
Deanna Richter

Q What are some of the things I should do when buying a house?

A Before you sign the Agreement of Sale to buy the property, you will want to ensure that you receive and carefully review a fully completed Seller's Property Disclosure Statement, which outlines some of the history and past issues with the property. I highly recommend to my clients that they order a home inspection (and other tests/inspections) from a licensed home inspector and purchase title insurance to safeguard them against any future title issues. You should address any issues outlined in the Home Inspection Report with the seller. Discovering and fixing property defects before the closing may be your only chance to demand that the seller pay for and correct these issues. For this reason, I always prefer that the buyer has contingencies in the Agreement of Sale related to the testing and inspections, so the Buyer can terminate the agreement without losing his or her hand money if any significant issues are revealed. If the Buyer chooses not to include inspection contingencies in the deal, at the very least, the Buyer should offer as little hand money as possible in the deal to limit the Buyer's loss if he or she has to terminate the contract without any contingencies.
