## A Message from Deanna

May 2025

Mother's Day is right around the corner so if you haven't already picked up something special for all the moms in your life, here is your friendly reminder! Finding the right gift for mom is easy when you shop at our many MLCC members businesses. They have all kinds of presents for moms and maybe some unique ideas that you might not have thought about. I'm sure I am like many moms when I say not having to make dinner is the best gift of all so perhaps consider going out to eat or ordering in from an MLCC member restaurant.

Deanna Richter  
MLCC President

Right after Mother's Day is our 26th Annual Golf Outing! It is set to take place on Friday, May 16th at Norvelt Golf Club. Stef and the event committee have all kinds of skill games and prizes prepared that will be awarded during the dinner. We can't wait to see who walks away with the MLCC trophy this year! Thank you to all our sponsors and volunteers who helped make this event possible and good luck to all our golfers!

Please take a minute to look at page 12. Our Student of the Month awards are so special for the students in our area, and we are so happy to be able to partner with so many of our location businesses and organizations to highlight these terrific kids! These awards would not be possible without the generosity of our members and their investment in the education of our youth community. We cannot wait to see what amazing students will be chosen in the 2025-2026 school year!

Memorial Day is the last holiday in May and we at the MLCC would like to take a moment to remember, honor and reflect those men and women who made the ultimate sacrifice for our freedom.

As the school year ends and summer begins, we encourage you to enjoy all the things the Laurel Highlands has to offer. Camping, fishing, hiking, biking, fairs, festivals, concerts, and there is so much more to explore. If you need ideas of what to do or where to go, visit our website, Facebook page or stop in at the MLCC office.

One activity you can add to your calendar now is our MLCC Community Day on Wednesday, June 18th at Mountain Pines from 11AM-4PM. See page 5 or contact Stef at 724-593-8900 for more details and to register!

*"May the month of May be a month of sunshine, happiness, and endless blessings."*

**Sincerely,**

## YOUR OPPORTUNITY TO ASK THE ATTORNEY

Bradley A. King, Esq  
King Legal Group, LLC  
Jones Mills  
724-836-1500

**Q**

I have two minor children and I want to leave everything I own to them in my Will. Can they receive it if they are minors?

**A**

Since your children are still minors, you would need to create a "testamentary trust" for them, which is a trust created within your Will that will be established upon your death if your children are still under a certain age. You can pick when the trust will terminate and the age at which your children will receive their shares of the trust, which can be when they are 18 years old or older. Many people choose an age at which the child will receive his or her share of the trust that is well above 18 years old, because typically children are better able to manage money and assets when they are older. You will also need to name a person to serve as trustee of the trust who will manage the trust assets well for the benefit of your children.
