A Message from Deanna

June 2025

June marks the official start of summer, and here in the Laurel Highlands, that means vibrant landscapes, exciting festivals, and unmatched opportunities to explore our unique communities. With rolling hills, scenic trails, and rich history, our region becomes a magnet for visitors from near and far—and it's our time to shine.

Tourism is not just a seasonal perk; it's a vital part of our local economy. When visitors choose to stay in our hotels, dine in our restaurants, shop in our stores, or explore our attractions, they're directly supporting our member businesses and the people behind them. As the Chamber, we're proud to promote and highlight the value our members bring to the region.

For our local community members and neighbors, I encourage each of you to help support our members by:

- **Shopping Local:** Whether you're looking for a specialty retailer, restaurant, or service provider our local businesses provide a large array of offerings for you to choose from. (Don't forget Dad this month—Father's Day is June 15th!)
- **Taking Advantage of Member Offers:** Many of our MLCC members are having summer specials on food, gifts, lodging and admissions. Look for coupons and specials throughout this magazine.
- **Telling Us About Your Experiences:** We would love to hear from you! Share what made your experience special—what products or services you enjoyed and from where. Be sure to tag us and we will help share and promote your experiences!

As you are planning all your summer fun don't forget to **Save-the-Date** for our **Community Day** on Wednesday, June 18th at **Mountain Pines Campground** from 11am to 4pm. All amenities are **FREE** to the community with advanced registration through the Chamber. Ice cream will also be provided. Food is not included. Call Stefanie at 724-593-8900 or email mlchamber.com to make your reservation.

Let's make June the kickoff to a successful, busy, and prosperous season for all.

Keep following our Facebook page for the latest information!

Sincerely,
Deanna Richter

YOUR OPPORTUNITY TO ASK THE ATTORNEY

Bradley A. King, Esq.
King Legal Group, LLC
Jones Mills
724-836-1500

Q If my spouse dies, does an Estate need to be opened?

A It depends on the circumstances of the spouse's death and the assets that he or she owned at the time of death. If the deceased spouse passed away and owned any assets in his or her name alone, an estate may need to be opened to administer and distribute those assets to the appropriate heir. On the other hand, if all assets owned by the deceased spouse were owned jointly with his surviving spouse or someone else with a right of survivorship and/or had designated a specific beneficiary to receive them upon the deceased spouse's death, there may not be a need to open an estate. You should always contact an attorney to inquire about your specific situation to determine the necessary course of action.
