## A Message from Deanna

### March 2026

As March arrives, our community finds itself at a familiar and welcome crossroads. St. Patrick's Day brings a splash of green, a sense of celebration, and a reminder that brighter days are ahead. After months of snow, cold temperatures, and shortened days, we can finally begin looking forward to the end of winter and the promise of spring just around the corner.

Deanna Richter  
MLCC President

Snowy commutes, icy sidewalks, and frigid temperatures are part of life in our region, but they also highlight the resilience of our businesses and residents. Through it all, our community has continued to support local—choosing neighborhood shops, service providers, and restaurants even when the weather made staying home tempting. That commitment makes a lasting difference.

One way to support the **MLCC** is through our annual **MLCC Snowman Contest**. Post a photo of your favorite snowman you built this year on our **Facebook page between March 17th-31st** for a chance to win a great prize! We can't wait to see all the unique and fun snowmen you built. Good luck and the winner will be announced on **Facebook!**

Now, as daylight stretches a little longer each evening, signs of spring begin to emerge. Warmer weather brings renewed foot traffic, outdoor projects, community events, and fresh opportunities for growth. It's a season that traditionally sparks optimism—new ideas, new partnerships, and new momentum for our local economy.

The **Mountain Laurel Chamber of Commerce** looks ahead to spring with enthusiasm. Upcoming months will bring opportunities to connect, collaborate, and celebrate our business community through events, initiatives, and shared goals. One of those upcoming events is our **27th Annual Golf Outing** which will be held at **Glengarry Golf Links** this year on **Friday, May 8th**. You can get more information on the outing in this magazine, by visiting **MLChamber.com** or contacting Stefanie at 724-593-8900. We are also still looking for sponsors for the event. The outing is a great place to advertise your business on the course through hole sponsorships, event program advertising and leader board recognition.

So, as we wear our green, toast to good luck, and count down the final days of snow and cold, let's also celebrate what lies ahead. Spring is nearly here—and with it comes growth, opportunity, and a fresh start for us all.

Sincerely,  
**Deanna Richter**

**Q** I'm the only one on the Deed for my house, because I bought it before I married my wife. We are selling the house and the buyer's attorney told us that my wife also needs to sign the Deed. Why does she have to sign the Deed to convey the property to the buyer when she isn't on my Deed?

**A** It is standard practice in Pennsylvania to require a spouse to sign a Deed conveying the property to a buyer even if the spouse is not listed on the current Deed for the property. The reason your spouse is required to sign is because that will effectively convey any "spousal interest" she may have acquired in the property by reason of her marriage to you. Her signature acknowledges that she agrees to convey and relinquish the property and any right she has thereto, which could be considered a marital asset. This prevents her from later claiming a marital interest in the property and its value.
