A Message from Deanna

July 2026

As we gather with family, friends, and neighbors to celebrate Independence Day, we also commemorate a truly historic milestone – America's 250th anniversary of the signing of the Declaration of Independence. For two and a half centuries, our nation has been by the ideals of freedom, opportunity, and perseverance, and this anniversary serves as a reminder of the vision and courage that laid the foundation for the country we know today.

The Fourth of July is one of the highlights of summer, bringing communities together through parades, fireworks, picnics, and celebrations that honor our nation's heritage. It also marks the peak of a season filled with fairs, festivals, outdoor concerts, farmers markets, and community events that showcase the unique character and spirit of our region.

With long days, warm temperatures, and beautiful scenery all around us, summer is the perfect time to get out and explore. Whether you're visiting local attractions, hiking and biking area trails, attending a festival, enjoying live music, or simply spending time outdoors with loved ones, there is no shortage of opportunities to make memories and appreciate everything our community has to offer.

As you enjoy the season, I encourage you to support the local businesses that help make these experiences possible. Our **MLCC** Member's shops, restaurants, attractions, service providers, and community organizations are the backbone of our local economy. Every dollar spent locally helps create jobs, strengthen our communities, and preserve the vibrant hometown atmosphere we all value.

We'd love to see your summer adventures, especially those that support our members. Email your photos to mlcc@mlchamber.com or tag the **Mountain Laurel Chamber of Commerce** on [Facebook](#).

Thank you to everyone who supported last month's **MLCC Community Day at Yogi Bear Jellystone Park Camp-Resort**. We're grateful to Yogi Bear Jellystone Park Camp-Resort for hosting the event at their campground and helping make it a success.

On behalf of the Mountain Laurel Chamber of Commerce, I wish you a safe and enjoyable Fourth of July and a wonderful summer season filled with family, fun, and community pride.

Sincerely,
Deanna Richter

YOUR OPPORTUNITY TO ASK THE ATTORNEY

Bradley A. King, Esq
King Legal Group, LLC
Jones Mills
724-836-1500

Q I'm purchasing my first home and my lender is requiring me to pay for a title exam and title insurance. Why?

A Title insurance benefits the lender and you too if you request an Owner's Title Insurance Policy. Liens against prior owners of the property, such as unpaid taxes, outstanding mortgages, judgments, etc. will pass with the property and become your obligation if they are not paid at closing. Also, any right of ways, easements, gas leases, etc. granted to others by prior owners will affect your title to the property. Title exams examine the public record to locate these issues. You may require the sellers to pay all liens before they are conveyed to you with the property. Title insurance ensures that the current owners have the legal right to convey the property, any outstanding liens were found and satisfied, and you have good title to the property upon conveyance.
