A Message from Deanna

Deanna Richter
MLCC President

October 2026

The air is crisp, the leaves are changing, and the smell of pumpkin spice is everywhere. Fall is my favorite season! I love it so much that I even named my dog Pumpkin!

One of my favorite things about fall is decorating. Each year, I enjoy visiting the shops and markets throughout our area to find new treasures for my fall décor—pumpkins, corn stalks, mums, decorative signs, wreaths, and so much more! You could easily spend an entire day visiting our **MLCC** members and shopping for everything you need to welcome the season.

You can find the complete list of MLCC member shopping opportunities at **www.mlchamber.com/shopping**.

If shopping isn't your thing, may I suggest visiting some of our **MLCC** members who make some truly delicious fall treats? From homemade cinnamon rolls and pumpkin gobs to apple cider, jams, fresh pies, pumpkin lattes, and so much more, there's no shortage of ways to enjoy the flavors of the season. And, after dessert 😊, you can enjoy dinner at one of our **MLCC** member restaurants. Find the complete list at **www.mlchamber.com/restaurants**.

October is also a great time to get out and enjoy the Laurel Highlands. There are plenty of fall festivals taking place throughout the month, along with Trick-or-Treat nights and Halloween parades. Our **MLCC** **Facebook** page shares many of these local events, so be sure to Like and Follow the **Mountain Laurel Chamber of Commerce** so they show up in your daily feed.

As we begin the final quarter of the year, we want to thank our community for its continued support—whether through membership, attending our events, or simply choosing to shop and dine locally. Your support makes it possible for us to advocate for our businesses, promote tourism, and create opportunities for growth throughout our community.

We especially want to thank everyone who supported our **13th Annual Ladies Day Bash** last month. It was another successful event, and we're so glad everyone had a wonderful day together!

I hope you all find time to get out and enjoy the beautiful fall season before winter arrives.

Happy Fall, everyone!

YOUR OPPORTUNITY TO ASK THE ATTORNEY

Q When someone has a judgment for an amount of money entered against him, what does that mean? How can the other party collect it?

Bradley A. King, Esq
King Legal Group, LLC
Jones Mills
724-836-1500

A A judgment for an award of money is entered by the court at the end of a case which gives that plaintiff the right to collect that money from the defendant against whom the judgment was entered. There are a variety of ways that the plaintiff who obtains a judgment can try to collect the amount due for the judgment. First of all, the judgment becomes a lien on any property that the defendant owns in the county in which the judgment is entered and the judgment can be applied as a lien against other property owned by that person in other counties as well. In addition, the plaintiff can "execute" on the judgment to sell the real estate owned by the defendant to collect the amount due on the judgment or to sell other personal property owned by the defendant, such as a vehicle or other assets. One of the most immediate actions a plaintiff can take to collect the judgment amount is freezing the defendant's bank accounts and forcing the bank to distribute the money in the accounts to the plaintiff to pay the judgment, subject to certain exemptions from collection. Therefore, if you are facing a lawsuit, you should seek legal counsel as quickly as possible to defend you before a judgment is entered and you shouldn't simply ignore a judgment against you.
